

ENHANCE IEP COMPLIANCE. GAIN POWERFUL DISTRICT-WIDE INSIGHTS.

TRANSPARENCY INTO SERVICE PROVISION & STUDENT PROGRESS

Standardize your IEP data collection process, proactively address gaps in service provision or identify students falling behind, respond to stakeholder requests quickly, and mitigate compliance issues across your district. We make life easy by pulling student lists, services, and goals over from your IEP system to eliminate dual data entry. Make Brolly your hub for service and progress documentation today!

STREAMLINE IEP SERVICE TRACKING

Replace haphazard IEP service tracking with a sleek, modern software

MONITOR STUDENT PROGRESS

Get student or district wide insights on progress toward IEP goals

ACCESS REAL-TIME ANALYTICS

Keep a pulse on service provision and student progress across your district

BUILD AND EXPORT REPORTS

Prepare for IEP meetings or audits, respond to parent requests, handle due process disputes

ACCESS QUALITY SUPPORT

Access ongoing support from top-notch customer success and support service teams

ENJOY ADVANCED SECURITY

Rest easy with our best-in-class, secure data storage

IEP Data Transfers

Multi-layered Onboarding

Refresher Trainings

Free Webinars

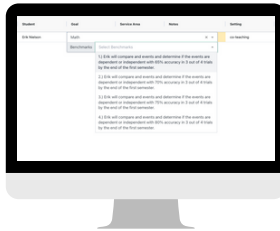

BROLLY PREMIUM SOLUTIONS

EXPAND BROLLY'S FUNCTIONALITY TO MEET THE NEEDS OF YOUR TEAM

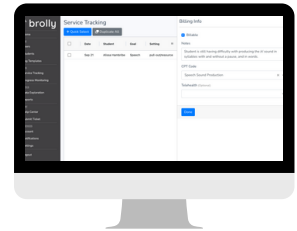

Track Service Fulfillment

Compare delivered service minutes against required minutes. Track % completion of minutes in order to identify and address gaps in service.

Monitor Benchmarks & Objectives

Take data collection one layer deeper. Monitor progress or track service minutes by IEP goal benchmarks and objectives.

Track Billable Services

Code billable services in Brollly. Export reports for your billing provider or work with one of our integrated billing partners!

**Available in select states only.*
